Sultry Karen Green loves to show off her sexy body and new tit job. So much so - she gave us a call and invited us to take some snaps for a sexy keep sake. What a top idea!

I have been very lucky when it comes to money. I have had my ups and downs with it all my life. I have lost it and I've had a lot of it. So far in this climate I have managed to save a little and keep afloat, my semi-successful business has kept me being a lady of leisure. So I am able to treat myself to some luxuries that I was unable to have when I was much younger. I always wanted to be the girl with the big breasts at school because I wanted all the boys to notice me. Now that I am more mature I thought that these ideas would fade away, but I'm still a young girl and heart that still wants the boys attention.

So I splashed the cash and gave myself some major cleavage. I maybe 50 but I am sure want to be filthily fucked hard like a dirty teenager.

Horny housewife Susan Merrit just loves to get naked for her husband Bernie.

"Bernie and I have always been a sex mad couple and I find it such a thrill to get naked for him. It sends tingles up and down my body knowing I'm about to strip and he's going to see my naked, hot pussy. It's such a big turn on and we have the most incredible sex. I love it when he plunges his hot rod into my wet and waiting hole."

Gemma is a saucy minx who loves wearing dirty under wear.

I'm a real fan of the forties, the fashion is something that I find very sexy. I love to wear stocking and suspenders because they give my body such a erotic shape; I don't get any complaints from my lover. He loves to nestle between my legs and flick his tongue in and around my naked pussy. Trust me boys, get your wife or lover some very feminine underwear and you'll be in for some naughty nights.

"**M**y son was away so we spent the whole weekend taking hundreds of photos of me in all sorts of poses and wearing sexy little numbers. We've got an active sex life when time permits but it had been years since we'd done something as raunchy as what we did that weekend. I don't know how many different areas of the house we took photos in but I do know that in between taking the photos on the Saturday we had sex six times, which is completely unheard of for us. I would

be holding a position, say bending over and my husband would be telling me not to move, next thing I know his flies are being unzipped and I've got the tip of his penis pressing against my vagina! We've sent our photos to several of your magazines and we can't wait for them to be published. I'm sure my son won't come across them because he's only interested in the younger girls!"

I have been having some extra marital sex with my fingers for a while, in fact ever since I watched a porn film that I found in the back of my husband's bedroom wardrobe. At first I watched out of curiosity but the further I watched the more turned on I got by the group sex scenes. Most nights after I have had sex with my husband, I make my way to the shower – telling my husband I need to freshen up. As soon as I run into the shower I'm delving my fingers into my soaking wet pussy finger fucking myself for an hour fantasising about the threesome I'd love to have, just like the ones I had seen on the porn DVD. A month ago my husband Ted caught me pleasuring myself alone in the bathroom. So I came clean and told Ted I have been fantasising about having an affair, but not just with one guy but, with a couple or more guys, because I've found our sex life has become a little too boring. He was devastated at first, but then decided that if we had a threesome he could join in the fun without either of us feeling that I have to be unfaithful. In fact after that moment my husband has gotten a lot more kinky and adventurous in our marital bedroom. Are there any boys or girls who want to join us for a little night-time fun?

READERS' PHOTOS!

We'd like to send a big thanks to Chris Williams for these wonderful photos of his girlfriend Nancy. We were very impressed with the quality of the pictures and I think it helps that the model is a stunner.

Anne

I am married but I like to experience all things sexual. I have a girlfriend Belle, but I am looking for a boyfriend to share fun, chat and sex. I am easy going, but demanding in the bedroom. I don't have too much spare time, as you can imagine; having a girlfriend and a husband, that both need my attention. But I still need more cock. So if you need a night of passion that would be a one night stand then come and check me out.

Tiffany

I'm not afraid to experiment and I'll always try anything at least once. I guy I recently dated suggested that I should appear in a top shelf magazine so here I am. It makes me really horny to imagine all of the guys out there who are going to wank over my photos, I love come!"

“I've been single for just over 3 years now, and I think it's about time that I met somebody. The only men I meet are my son's teachers, and that would be highly inappropriate! I've tried speed dating with a friend of mine, which was a good laugh but I didn't find anyone that I particularly fancied. They were all quite young, and I need a man who is mature and knows what he is doing with a woman! To be honest, I think all I need is a good fuck, and I just can't seem to find anyone who is happy to oblige!”

Busty Gloria is getting all hot and spicy after hours in her evening class.

I always like to learn new things, every year I enrol in short courses to give myself some interest and a new hobby. The absolute best thing going on these courses is meeting new people who I quickly make friends with. I recently enrolled in a Indian cooking course, I was lucky enough to be standing next to a dishy young guy who I struck up an easy conversation with. A couple of

Gloria Bows

weeks went by and our conversations became a little more flirtatious. One night I took the lead and asked him if he wanted a lift home. He was half my age, but he seemed very keen on the idea of me getting back to his flat. He said that I had to be quiet because his flat mate gets up early and goes to bed early, I whispered into his ear that I can cum quietly if he can. We both smiled and slipped into his bedroom silently and got stuck into stripping and fondling in his bedroom; I was on my knees in seconds sucking on his hard one. We fucked each other all night, both having to bit our lips trying not to cry out in orgasm. Hot and spicy foods don't always agree with some people, but I think I have found my young spice the right taste for me.

We would like to thank Kylie Ann for sending in these pictures of herself. We think she looks absolutely stunning and her husband is a lucky man.

"People say that my husband is lucky to have me but I don't feel that way. He always says he's too busy for sex or too tired. I'm sick of the excuses and all I want now is to be pleased. If he doesn't fuck me soon, I may have to look elsewhere."

We would like to say a massive thank you to Rupert Taylor for sending in these pictures of his wife Kym. They are hoping to find a reader that will be willing to take part in a threesome with them.

Kym and I am a very adventurous couple that love to get naked and experience new things in the bedroom. The only thing left to try is a threesome. We've heard a lot about them, but never got round to doing it ourselves. I love the idea and Kym has finally agreed. Now we want to get someone over to our house. We're a very horny and both would like to have other people shag us. We don't mind whether it's a man or a woman to be honest, just as long as we all get lots of pleasure. We look forward to hearing from some of you soon. The sooner, the better!"

Kym Taylor

Stacey

I've been married for a few years now and to be honest as much as I enjoy my husbands company, the sex just isn't anything to brag about. For a start we only have sex about 2 times a week; anything more than that he tells me he's too tired and that he'll make it up to me another time. He's only ever makes it up to me by buying me flowers and chocolates, but that's not sex. I'm a filthy slut

and my pussy needs a good shagging more than twice a week. I think you can all feel my desperation and I'm now looking for secret lovers to stuff my muff. I don't want to have sex more than once with the same man, as I wouldn't want us to build up feelings. I literally want the sex and nothing more. If you think you would be up for this deal and fancy a good romp with me then do get in touch and lets begin the magic. My pussy's dripping from the thought of your huge cock.

“I've got that classic porn star look about me and blokes probably feel intimidated by me and think that I'll only consider fucking a guy if he's got a nine inch cock and knows how to use it. At the moment I'm having to make do with have sex with my vibrator on a regular basis but its not the same as having a hard cock. As it stands I'd be quite happy just to feel a normal six inch cock in me even if it only does last a couple of minutes!”

Sue Collins

Sue Collins is a part time receptionist from Bournemouth and is looking for someone to shag in her spare time.

"I've been single for the past three years and I haven't really had contact with a man since. I don't want to never have sex again, so I would love it if someone was to get in contact with me and pleasure me now. I still know how to work it and satisfy a man until they explode in ecstasy, so please do get in touch now and lets fuck, hard!"

Martha

"Up until very recently my sex life was a bit on the dull side and my husband and I were having sex once a week at best. I thought long and hard to try and think of a way to spice things up and a friend of mine told me that she'd had some professional photos taken of her stripping and that she had them published in her husband's favourite porn magazine as a surprise. I'm not shy about my body so I thought I'd give it a try. My friend arranged the whole thing and came over to my house to give me a bit of support while the photographer took the photos. It was so much fun and it's incredible how turned on I got when I was doing the posing, my pussy was so wet I was leaving little wet patches all over the sofa! You can imagine my shock when my husband came home from work early and walked through the front door only to see me spread eagled on the sofa with my legs in the air and a dildo sticking out of my pussy. Rather than being shocked he just put his briefcase down and stood there with his eyes fixed on me, my God I didn't think I could be more turned on than I was but with him watching me intently my pussy felt

like it was on fire. The moment we finished I whisked him into the kitchen still butt naked and demanded that he fucked me over the kitchen table, I've never had such an intense orgasm in my life as I did bent over the table. After seeing the photos my husband was really up for me sending them in to a magazine and we were really shocked when letters from readers appeared on our doorstep a week or so later. The letters were from young men who wanted to fuck me and after discussing it for all of about five minutes we decided to invite one of them over, and of course we made sure the photographer was there too to take some photos too. I got the fucking of my life that afternoon, I was having orgasm after orgasm, the bed was soaked with sweat and come and I can't wait to do it again. Our sex life is fantastic now that we've discovered how much fun porn can be and we've got a huge collection of DVDs and toys. After watching the naughty movies we always have sex, life couldn't be any better."

"I always like to have a tan on my body; It makes me feel sexy and glowing. My husband likes to see my tan lines when I whip my bikini off. I think he's a naught sort; he wanted to take some photos and send them into 50s Magazine – to show me off or so he says. But I think it's to brag to his golfing mates. I was a little shy at first but he is always persuasive when it comes to doing something dirty and fun. I hope the readers love what they see."

I love modelling because I get to pretend that I am a different person in front of the camera. I get to put on some nice clothes, sometimes they are very see through. But one thing never changes, and that is how dirty I am in the bedroom. My husband Paul says that I have a face of an angel but a body for sinning - all night long; that's how I like it, how about you readers?

Granny sex in all its glory and filth is in extremely high demand by young and older guys - my name is Beth and I'd love to explain why I enjoy being on a adult chat sex line every day having orgasm after orgasm and making ordinary guys wank off over their phone - I even have a 100% cum rate on all my callers so try as you may you will be unloading and letting go of all that frustration and sense of total relief that you will find you just cannot do without.
